1. The above 15 game schedule is identical to last year’s Covid Schedule as agreed upon by all CCAL AD’s and Admin but the order was modified to
2. I have highlighted the Sat game simply as an option so that the coaches could see what it would look like on paper.
3. Due to the coaches being split on the 10 game league season vs. a 15 game league season, I propose that you keep the Sat games on the schedule and if both coaches agree to play.... You play.....if either coach says no.....than there is no Sat game for those two teams that week.....easier to schedule the games and cancel the week of the game rather than schedule them piece meal last minute and hope to get officials.
4. JV & Varsity Softball play a Wed/Fri league day schedule & play at the same time & location during league play for the 20-21 year.
5. Wed/Fri League games will begin at 3:30pm.
6. Sat league games are scheduled for Noon starts but may be adjusted if both coaches agree to the time change.
7. Schedule created on February 9<sup>th</sup>, 2021 by Gregori Athletic Director James Davis.
